

N2E Competitors,

The following are three important messages from our sponsors that may prove useful for you. You can contact them directly or see them at the Kick-Off party at BCYC, Thursday evening.

NOSA would like to thank and recognize GrinGO - Mexico Travel & Safety App, as sponsors this year of N2E. Download the FREE APP on Apple or GooglePlay APP Store this week to purchase your **Mexico Auto Insurance** for those driving to Ensenada and/or check **Border Wait Times** driving back, purchase **Boat/Yacht insurance** for those competing in the race entering Mexico Waters, Access to 1st Responders, and many other travel resources. For more info visit: www.gringoapp.com

SatellitePhoneStore.com is the official communications sponsor for the Newport to Ensenada race and would like to offer all N2E and Transpac racers a 10% off promotion on all rentals or purchases of satellite equipment and service. This is valid until May 1st. You can also trade in any old satellite phone or terminal for a credit towards new gear.

Yacht Insurance in the USA and Beyond

NOSA is proud to have Novamar Insurance Group as a sponsor of this year's N2E race. Their yacht insurance specialists have decades of marine insurance and boating experience. With so many variations of types of boats and yachts as well as the jurisdictional challenges that come with them as they travel around the world, it is imperative that your yacht insurance agent has extensive boating knowledge in order to serve you best.
