ALL COURSES

GET A RATING

To get a rating for your boat, you need to be a member of the Performance Handicap Racing Fleet (PHRF), or the Ocean Catamaran Racing Association (ORCA). This applies to all racers, (except for One-Design and Unlimited classes). PHRF issues the Rating for all of the PHRF boats that participate in the Race. ORCA provides NOSA with an Official Ratings List for ORCA multihulls.

GET A SAIL NUMBER

You need to have a sail number for your boat. If your boat doesn't have a sail number, contact Southern California Yachting Association (SCYA) to get one. If you are from out-of-state or out-of-country, you can obtain your sail number from your local or National Authority.

A boat entering Mexico for the first time goes thru the official check-in process with both Mexican Customs and Immigration. By participating in the N2E race, these are expedited for you and handled at Race Headquarters at the Hotel Coral or possibly at the marina you are staying. Similarly, the boat exiting Mexico check-out procedure is handled by N2E Race management for you. You will not need to do the typical visiting of multiple downtown Ensenada offices when arriving and departing. One of the fees involved in sailing into Ensenada is a per boat fee to the Harbor Master. This is included in your entry fee and handled by N2E Race Management for you. The other fee is the tourist card fee (Forma Migratoria Múltiple (FMM)) for each person going ashore. This tourist card fee can be prepaid on the internet, or paid in Ensenada when checking in at Hotel Coral. The current amount is about \$30 USD (it varies with exchange rate). The local officials strongly suggest bringing cash and handling this in Ensenada. If you prefer the on-line prepaying, be aware it is one application and one receipt per person. Mexican law also requires all passengers on a boat with fishing gear to have a Mexican fishing license.

US PASSPORT & CUSTOMS

You and your crew will need a Passport to re-enter the United States from Mexico.

The ROAM app is the US CBP preferred method of reporting your crew for entering the US. Also, you will need to obtain a customs decal for your boat if its LOA is 30 feet or more.
